YES Youth Europe Self-Empowerment Cooperative
26th April to 3rd May 2015 – Sunday to Sunday – Schloss Tempelhof Germany
<http://www.schloss-tempelhof.de/service/english/>

Dear Participant,

we have over 10 Million unemployed youth in Europe. With 50/60% the rates are the highest in Spain, shortly followed by Greece, Portugal, Italy, France, UK and other countries in Europe, not to mention the Eastern European countries.

It is my pleasure to invite you to participate in the selection process of this initial workshop in early 2015. We will explore the possibilities toward empowering the European youth with an initiative to take action and lay the groundwork for a cooperative movement so strong that the society at large as well as politicians can no longer ignore this enormous potential.

You will join a group of selected youth from all 28 European countries - one participant from each country. A few selected guests will be joining from the youth of different continents, like Asia, Africa, Russia, Australia, China, India, North and South America, Oceania among others. Your first challenge ~~you~~ will be to find ways to finance your way to the gathering place. Once selected, you will join forces with the other selected youth to help each other in this challenge. One has ideas, all together have more ideas...also see the cost information on the travel document. Due to an excellent offer from our host „Schloss Tempelhof“, we are able to offer a very low price for one week full board and accommodation.

Looking forward to receiving your application and hopefully seeing you for a historical and life changing experience in making this movement a reality.
